

# BE THE ASTRONAUT

MOON | MARS | ASTEROIDS & JUPITER

JUNE 18 - SEPT 11

Presented by

**CEFCU**<sup>®</sup>

## SPACE PROGRAMMING!

Narrated by Patrick Stewart, highlights NASA's Space Shuttle Program and the future of deep space exploration with spectacular space sequences.

Kids' activities, planetarium shows, free admission to *Be the Astronaut* and "Journey to Space" 3D.

Obtain your technician-level amateur radio license through the Peoria Area Amateur Radio Club.

Space-themed tea party for pre-k with arts & crafts, sweet treats, obstacle course, more!

Grab a friend, practice your moon walk, and get ready for an out-of-this-world party! 21+

DO YOU HAVE WHAT IT TAKES TO BE AN ASTRONAUT?

LEAD MISSIONS INTO DEEP SPACE, DRIVE A PLANETARY ROVER USING NASA DATA, INTERFACE WITH TALKING ROBOTS
