Dear Members and Friends of the Peoria Riverfront Museum:

On behalf of our Board of Directors, welcome to the museum and thank you for all you do to make this privately-funded organization better with each passing day. The Peoria Riverfront Museum operates from a magnificent building and features first-rate exhibitions, films, planetariums shows, and collections, yet we are primarily defined by the incredible community of board, donors, members, visitors, virtual digital audience, volunteers, staff and friends who all share the same values.

We are a community of people seeking to be inspired and to inspire others. We use objects to tell incredible stories designed to build confidence, create a culture of lifelong learning, and ultimately, to unleash the full talent of genius of every individual. Our multidisciplinary museum of art, science, history and achievement is unique in the nation and quickly becoming a model for how a museum can help transform the proud entrepreneurial energy and spirit of invention of a region.

This year we celebrate the 20th anniversary of one of the greatest gatherings of our Peoria Riverfront Museum community, the Holiday Luncheon. We thank event chair Lisa Gates and her incredible committee. How fitting that this event focuses on raising support for the most important people to the future of our community, our young people, through the "Every Student Initiative." The initiative began shortly after my arrival two and a half years ago is the most ambitious effort of its kind with a goal to fund access for every single student from every public, private and homeschool to an inspiring, curriculum-related, museum experience every year.

We will not stop until we serve every student with a dose of museum inspiration they deserve. Your support is making it possible. Thank you.

With gratitude,

John D. Morris
President & CEO

EVERY STUDENT INITIATIVE

The Every Student Initiative (ESI) vision is to engage every student from every public, private and homeschool organization in Central Illinois with a curricula-inspired visit to the Peoria Riverfront Museum every year. Since its inception in 2017, ESI has provided more than 50,000 museum experiences at no cost to students. ESI was launched with a grant from the Barton Family Foundation and has received support from Mary Jean Bowman, the Art Bridges Foundation, John Graham & Associates, and Church Women United, with additional support from the museum's Corporate Visionary Society Council members, the annual Holiday Luncheon, and hundreds of individual donors.
