FROM PEORIA TO LEBANON

In support of recovery efforts through the
Lebanese American University Medical Centers

Exhibition + Concert + Art Auction

Antoine "Tony" Karam, MD

An internationally renowned pianist since childhood, Beirut native Dr. Tony Karam is a distinguished OBGYN who practiced in the U.S. and currently practices in Lebanon. Dr. Karam received his double M.S., Microbiology & Immunology, High Honors, and MD from The George Washington University School of Medicine and Health Sciences.

"'From Peoria to Lebanon,' a unique multitiered benefit, pairs the musical genius of Dr. Tony Karam with an exquisite art exhibition by the leading contemporary artists of Lebanon with one goal in mind - to offer help, hope and a future for those who, in the aftermath of the devastating Beirut Port explosion and a total economic collapse of Lebanon's currency, cannot afford even the basics of medical care."
