

My Visit to The Peoria Riverfront Museum's Giant Screen Theatre

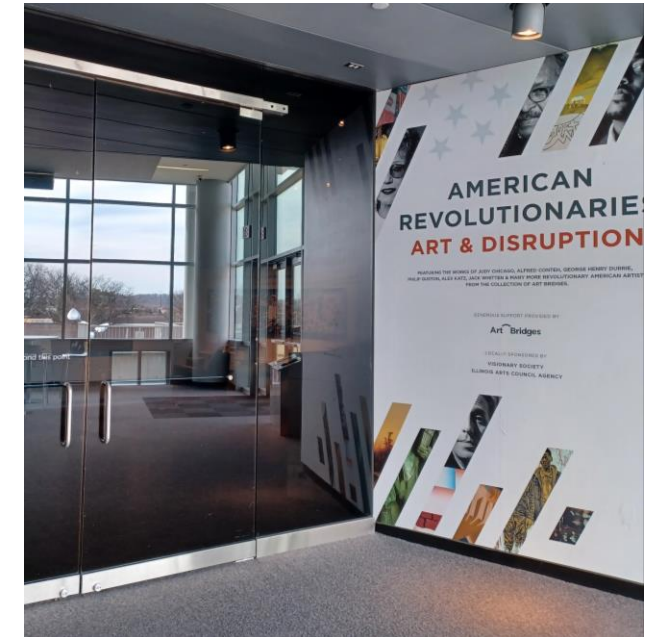

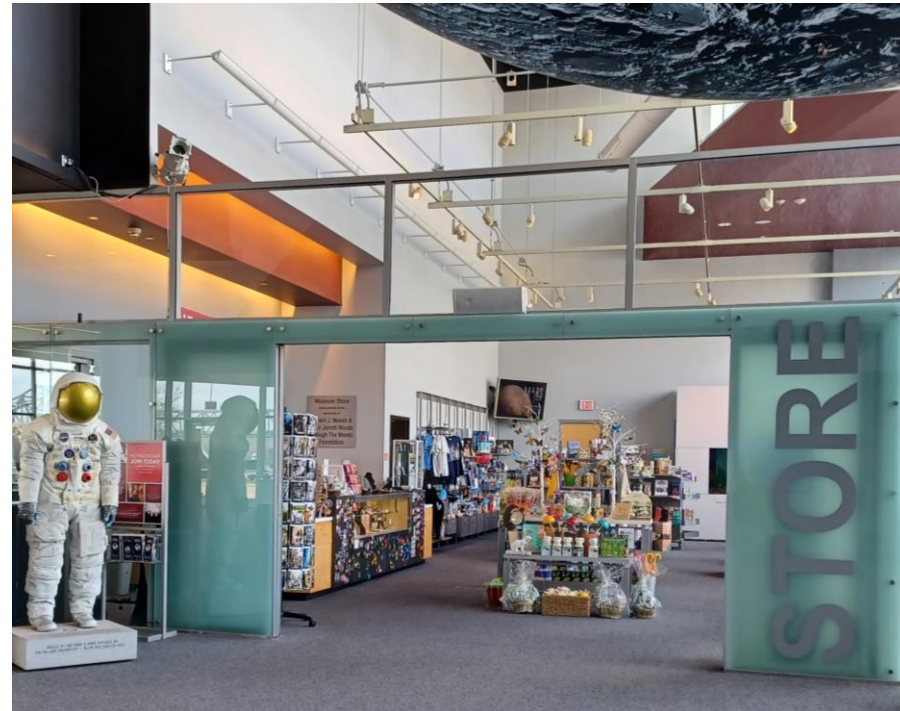

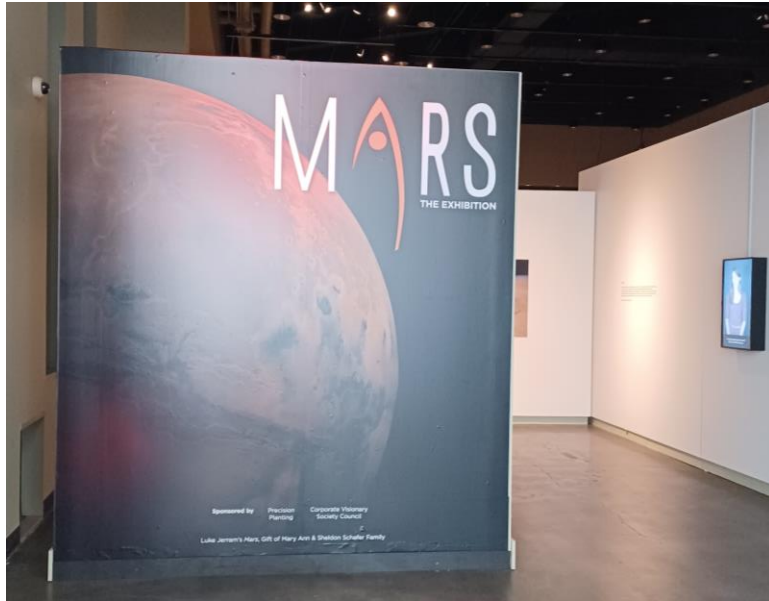

**I am going to The Peoria Riverfront Museum today.
We are going to see a movie in the giant screen theatre!**

I will walk through the parking deck or enter through the front doors of the museum to go inside.

**There are lots of things to see at the museum.
Today we are going to see a movie!
We might not see the exhibits and planetarium today.
We can come back another day!**

**When we get to the museum, I will stay close
to my own family or group.**

**We will go to the welcome desk and buy our movie tickets.
If I forgot a sensory support, I can ask to borrow one!**

The museum can let me borrow what I need to enjoy the movie:

Headphones if it is too loud

Fan if I need moving air

Sunglasses if the screen is too bright

Fidgets to keep my body still

Wiggle cushion to stay in my seat

When the movie is over, I will give these back to the museum.

After my group gets our tickets, we will go to the theatre.

**We might get a snack or a drink at the concessions stand.
If we do not, that is ok!
I might have to wait in line to get my food.**

**We will go into the giant screen theatre.
I will pick out my seat with my group and wait for the movie to start.
We might watch a preview before our movie starts.**

**It will be a little dark in the theatre.
It might get more dark before the movie starts.**

**If I forgot my sensory support or decide I need one, I can ask for help.
I can go back to the front desk or ask anyone with this badge to help me.**

**When the movie starts, I will stay in my seat.
I will try to stay quiet.
If I do need to move or get excited and make noise, that is ok!
This movie is for me!**

**When the movie is over, it might be time to leave.
I had a great day at The Peoria Riverfront Museum!**
